# FORKLIFT RENTAL SERVICES

---

In May 2008 we were asked to supply a forklift to a new client in the Point Lisas Industrial area. Acting upon this potential business opportunity S.C.O.R.E. Limited diversified into the forklift rental market with the acquisition of a new fleet of forklifts available for long term rental. Our intention is to provide high quality, efficient and safety oriented forklifts to all sectors of business in Trinidad and Tobago. Our forklifts come with automatic side arm shifters and new safety features such as back-up alarm, hand brake alarm, seatbelt alarm and rotary warning light.
