OILFIELD TUBING CONTRACT WITH FRAM EXPLORATION TRINIDAD LTD

In July 2010, S.C.O.R.E. Limited was awarded a contract by FRAM Exploration Trinidad Limited to supply 20,000ft of oilfield 2 3/8" EUE tubing, J55, 4.7lb/ft for their land oilfield operations in Trinidad.

S.C.O.R.E. Limited sourced the tubing from one of their key suppliers in China. The tubing was manufactured by our supplier under the most stringent QA/QC operations and they conform to API Spec 5 CT and ISO 9001:2008 System Standards.
